The Silo Park

The Silo Park is all about good drinks, great food, and a laid-back atmosphere. It's an open-air gathering space where people come together—whether it's around the fire pits, at the bocce court, or just catching up over a cold drink.

At the heart of it all is the Silo Bar, a retrofitted grain silo transformed into a one-of-a-kind outdoor bar. Serving up handcrafted cocktails, ice-cold beer, and non-alcoholic options, the Silo Bar is the perfect place to grab a drink and soak in the atmosphere.

While not a private event space, we do offer event reservations for groups looking to celebrate a special occasion. Reserving an event space in the Silo Park gives your group a dedicated area while still allowing guests to enjoy everything the park has to offer.

Covered Patio

Our Covered Patio gives your group a dedicated space to gather while still being part of the lively atmosphere of the Silo Park. While not a private event space, your group will have its own section of the patio, with access to outdoor games, fire pits, and everything the Silo Park has to offer.

With heaters to keep things comfortable year-round and a full bar right on the patio, guests can grab a drink, relax, and enjoy the energy of the space. Whether you're planning a casual get-together or a big celebration, the Covered Patio offers the perfect mix of reserved space and open-air fun.

From laid-back happy hours to milestone celebrations, the Covered Patio makes it easy to bring people together. No matter the occasion, your guests will enjoy great drinks, scratch-made food, and the welcoming atmosphere that makes Old Glory a place worth gathering.
